POWERPOINT DECK

One graph per question for the base stats.

Up to 10 questions- \$1,000

11-15 questions- \$1,350

16-20 questions- \$1,700

21-25 questions- \$2,050

26+ questions – please enquire

(Allow 1-3 working days turnaround)

VIRTUAL ANALYSIS OPTIONS

VIRTUAL INSIGHT DASHBOARD (Standard)

This is a cutting edge market research analysis tool – it allows you to view your full dataset at once, slice the data by demographics, and easily allows you to compare the views of numerous segments at once. Each view is completely dynamic: when new data or filters are added to the dataset, the dashboard updates with the latest values).

Please email info@censuswide.com

\$1,250 (Allow 1-2 working day turnaround)

VIRTUAL INSIGHT PREMIUM DASHBOARD (Bespoke)

In addition to Standard Dashboard benefits, the Premium Dashboard is entirely bespoke, and allows you to add multiple question charts split by any demographic of your choosing and highlight any standout statistics using the dynamic KPI widgets. You can customize the dashboard with color palettes from your brand guidelines and white label with your logo. We can embed written copy throughout with graphs to highlight narrative.
